

Knowledge Mat: Art

Key Knowledge for Year 8

Term 1

- Drawing and measurement techniques.
- **CUBIST ART** theory.

Term 2

- Application of Cubism to students' own work.
- Use of various techniques.

Term 3

- Creation of sculptural object using Cubist theory and mixed media.

Wider Experiences / Try To Do...

Aim to **draw more accurately** by using different measuring techniques.

Simplify shapes to create a **CUBIST** look.

Experimentation with mixed media.

Visit *an art gallery.*

The **big** questions:

- How can textures either found or created help with separating objects or parts of objects?
- How to use **CUBIST ART** to influence the development of own work.
- How to position elements of a design to best effect using contrast in *shape* and **Size**?

Vocabulary

Word - *Meaning*

Cubism -

An art movement.

Contrast -

The obvious difference between things e.g. shape/size.

Texture -

The feel or appearance of a surface or substance.

Mixed Media -

The use of several differing materials and techniques in an art work.
