3rd November 2022

Dear Parents,

Cross-Country Competition

We are excited to tell you that we are holding a cross-country house competition on Tuesday 15th November for all KS3 children. It is compulsory for all KS3. This will take place, in school time, up on the school field.

Your child will need to come into school on Tuesday 15th November in full CORRECT PE kit, with no exceptions. Children will need to bring a change of footwear. Your child can run in boots as we are on grass, but will need to bring trainers or school shoes with them. It is recommended to bring shorts and tracksuit bottoms/ leggings to change into in case of adverse weather and clothing becoming wet.

The event is a house competition, where individual performance is important, but a team performance and putting 100% effort, will see your house earn more points. As a school we will monitor the participation of this house event and if successful, we will add further house competitions to the calendar, creating more chances for our students to compete.

For those students who show outstanding individual performance, there is also an opportunity to compete at both district and county level at cross-country. All levels of fitness are catered for.

If your child cannot compete due to illness or injury, we will need medical evidence to support this.

If you have any further questions, please contact me via email on: dharrison@stm.srscmat.co.uk
