

15<sup>th</sup> March 2023

Dear Parents/Carers,

As you are aware Year 9 students are soon to be selecting their option subjects which they will go on to study throughout Year 10 and 11. We appreciate the understanding shown by parents and carers as the event has been impacted by several unavoidable factors. The amended date below is reflective of parental feedback and ensures that the Year 9 students who are lucky enough to be on the STM ski trip will not miss out on their options evening experience.

In order to support students, parents and carers during this process we will hold a 'marketplace' style Options Evening. Each GCSE subject will be represented. The Head of each subject will be available to talk to parents and students regarding their subject. Information will be provided regarding the course content, assessment, wider skills and the opportunity explore career links.

**The new date for options evening is Wednesday 19<sup>th</sup> April.**

On the evening you will receive a pack containing a guide to the evening, a map of subject locations, the options booklet and the form to be handed in once options have been selected. Option selection forms will need to be returned by Friday 28<sup>th</sup> April.

To further inform students, Year 9 have already had an assembly outlining the process of selecting their options.

Please return the slip below to Year 9 form tutors or directly to Mrs Lancett

If you have any queries, please contact the school or email myself on [slancett@stm.srscmat.co.uk](mailto:slancett@stm.srscmat.co.uk)

Yours Sincerely,

Mrs S Lancett  
Deputy Headteacher
