

15th July 2024

Dear Parents/Carers,

Sports Day

We are excited to share that Sports Day is taking place on Monday 22nd July. This is a full day event which will offer every student opportunity to participate in an event during the day.

The day will consist of the following:

- Form time will be extended so that students can complete a sports quiz. Points will count towards overall results. The day will begin at its usual time.
- Morning events will consist of traditional track events including 1500m, 800m 200m 100m 4x100m relay and the house relay event.
- Lunch will be on the main school site between 11:45 and 12:35pm.
- Afternoon events consist of a carousel of events including tug-of-war, team ball events and an end zone game.
- Students will be dismissed from the field at the end of the day. Those students getting lifts can be collected as normal from the main school site.

Students need to arrive in full St Thomas More PE kit (black shorts, leggings or tracksuit bottoms, black STM logo polo, black STM logo hoodie or plain black hoodie.) Students should bring re-fillable water bottles with them to take to the field and a hat and suncream if the weather is good.

Our PTA, FOSTM (Friends of St Thomas More), will be selling refreshments during the day at a reduced cost. There will also be a BBQ and an ice cream van at the field, should your child wish to purchase anything. Please ensure that only a small amount of cash is brought to sports day, and this should be stored safely in their school bag.

Please note: If the weather does not adhere to our plans, we will simply take an adapted sports day indoors. This will require a year group coming over, one at a time, with their usual class teacher for that period. Here individuals will get chance to compete, and all will get chance to cheer on their form. Normal lessons will occur while the students are not with the PE dept.

Thank you for your on-going support.

Mr Harrison
Head of PE
