

Dear Year 7 Parent/Carer,

Year 7 Arrangements - 7th to 9th July 2025

I am writing to inform you of the arrangements for Year 7 students during the period Monday 7th July to Wednesday 9th July 2025.

As you are aware, a number of our Year 7 students will be attending the Gradbach residential trip over these three days. If your child is taking part in the residential, please ensure you have reviewed all relevant information, including the itinerary and equipment list, on our school website under News and Events > Year 7 Gradbach.

Please note that students attending the residential will need to bring a packed lunch on the first day, Monday 7th July, as lunch will not be provided upon arrival.

For those students who are **not attending** the Gradbach trip, a modified timetable will be in place. These students will be grouped together into a single teaching class, and their usual timetable will be suspended for the duration of the trip. Below is the revised schedule:

Period 1	Maths – BRI (Room 110)	Science – CCO (Room 207)	Maths – GAN (Room 205)

Mrs Litchfield will act as Form Tutor for this group and will be based in Room 108 during this time.

We appreciate your support in ensuring that all students, whether attending the trip or remaining in school, are fully prepared and continue to benefit from a high-quality learning experience.

Should you have any questions regarding either the residential or the in-school provision, please do not hesitate to contact the Year 7 team via the school office.

Yours sincerely,

Mrs Kerry Taylor, Head of Year 7 and 8, Teacher of Mathematics, Transition Coordinator
