Working towards...

Lots going off this year! Priority is to support our year 11 students to ensure they achieve the levels they deserve, hence the swapping around of the 'Music' rehearsal schedule. Another big focus is to continue to progress and develop Jazz Band and Vocal Group in time for our tour of Italy. Our rehearsals will be during lunch so there won't be as much time so you'll need to get lunch quickly to set up. If we're serious about wanting to put on our best performances in Italy and in school, we need people to show up to all rehearsals and support each other and put in the personal practice at home too! There'll be at least 2 concerts during the summer term – 18th June & 7th July. Italy Tour departs 13th July! Exciting times kids!
