

Dear Parent/Carer of Year 7 and Year 8 Students,

We are delighted to invite you to join us for our final ASPIRE Assembly of the academic year, which will take place on **Wednesday 22nd July**.

The assembly will run from 8:50am to approximately 9:20am and will be an opportunity to celebrate the achievements of our students throughout the year. During the assembly, we will announce the winners in each of our ASPIRE categories and recognise the many successes and contributions of our Year 7 and Year 8 students.

We would love for you to be part of this special occasion and help us celebrate a fantastic year together.

If you would like to attend, please sign in at the main reception from 8:40am and, if possible, arrive before 8:50am. You will then be shown to your seat before the students enter the hall.

I would also like to take this opportunity to thank you and your children for all the support, hard work and commitment shown over the past one or two years during my time as their Head of Learning. They are truly some of the finest students I have had the pleasure of working with, and I will miss them enormously.

I would also like to thank Miss Ward for the tremendous support she has provided in her role as our Pastoral Manager.

Next year, I will be continuing as Head of Learning for our new Year 7 cohort, while also working more closely with our primary school partners. I am delighted to reassure you that your children will be in excellent hands. Our current Year 7 students will move into Year 8 under the care of Mrs Doherty-Perkins, supported by Miss Donnelly as their Pastoral Manager. Our current Year 8 students will progress into Year 9 with Mrs Copestake as their Head of Learning and will continue to be supported by Miss Ward as their Pastoral Manager.

We will continue to work closely together to ensure that every student receives the support and guidance they need to thrive throughout the next academic year.

We hope to welcome you on 22nd July as we celebrate another successful year for our Year 7 and Year 8 students.

Yours sincerely,

Mrs Kerry Taylor

Head of Year 7 and 8, Teacher of Mathematics, Transition Coordinator
